**TECHNOLOGY POLICY:**

Chop Point realizes the value of modern communication and technologies. We depend on it to communicate with campers, staff and parents throughout the year. It is integral in how we advertise and communicate with those interested in Chop Point. In the camp setting, however, we find the constant ability for campers to stay in touch with everyone via cellular phones, texts and social services (such as Facebook, Twitter, and MySpace) to be detrimental. We have seen campers so engrossed in what is happening hundreds or thousands of miles away, that they are unable to make connections with those sharing a cabin, meal, or trips at camp. To allow campers to unplug, get fully involved, and enjoy their summer experience, we do not allow campers to use cell phones or other communication devices while at camp. We do allow and encourage campers to stay in touch with family and friends via: mail, camp landline phone, or email. Campers may call home using a phone in the lodge or receive calls to the camp line during meals. Email can be received via web-based personal accounts at designated times during the day, using camp computers, or when sent to camp@choppoint.org with the camper name in the subject line (it will then be printed and delivered with traditional mail).

Campers may use a cell phone while traveling to/from camp. The cell phone must then be stored in the camp office until it is needed for the trip home. **Due to the fact that we do not allow cell phones during camp, campers must bring other devices if they wish to take photos or listen to music while at camp.** We appreciate your understanding and help with this issue.

# 2017 CAMP SEASON INFORMATION SHEET

## MEDICAL EXAMINATION

The Medical History Form and the Medical Professional Form prepared by the American Camping Association are mailed to parents, or can be downloaded from our web site. The Health History Form may be completed by the family, but the Medical Professional Form must be completed and signed by a physician prior to camp.

## WHAT TO BRING

Chop Point does not provide a specific clothing list. Campers dress informally in casual clothing including shorts, T-shirts, long-sleeve shirts, and jeans. Summer weather in Maine typically ranges from the warm 70's and 80's by day to the cool 50's and 60's at night. Other necessities include warm pajamas, a rain suit (for canoeing, kayaking, biking & hiking trips), sleeping bag, laundry bag, at least 2 Sunday outfits, bathing suits, several changes of socks and underwear, shoes, rugged outdoor shoes for hiking trips, towels, soap, toothbrush, and a flashlight.

Optional items include a phone card, backpack, writing paper, Bible, tennis shoes/sandals, sports equipment, camera, musical instrument, art supplies, fishing gear, books, bicycle, and a waterproof bag for keeping sleeping bag dry on canoe/kayak trips. Personal iPod or similar devices (non-cellular) may be used only in the cabin, with earphones, at the discretion of the staff. We have a limited supply of sheets, blankets, pillow cases, and pillows.

*Please DO NOT BRING:* weapons (including knives), hunting equipment, computers, iPads, DVD players, electronic game systems, pets, or vehicles. **Chop Point is not responsible for lost or stolen items. Please do not bring items of value that you cannot afford to lose.**

## LAUNDRY

A rough-dry laundry service is included in the fee. Camper laundry is cleaned once each week during their stay. Dry cleaning is not available. Chop Point assumes no responsibility for lost or damaged personal property. **All clothing MUST be labeled with the first and last name. A laundry marker works best.**

## CONTACTING CAMPERS

The best time to call campers is during meals, (8-8:30am, 1-1:30pm & 6-6:30pm) at 207-443-5860. You can also email campers from our Web site ([www.choppointcamp.com](http://www.choppointcamp.com)) or send regular mail to 420 Chop Point Road, Woolwich, ME 04579.

## TRANSPORTATION

The Portland International Jetport is 1 hour south of Chop Point, and campers are met at the airport by a staff member who transports them to Chop Point. In addition, campers are transported back to the airport for their departure at the end of camp.

**FLYING TO AIRPORTS OTHER THAN PORTLAND JETPORT:** The next closest airport is in Boston, MA, which is 3 hours away from camp; **transportation to/from this airport is not provided by Chop Point.** If campers travel to/from any other airport besides Portland, Maine, parents MUST arrange their own travel to/from Chop Point or Portland. Concord Trailways operates bus service from Boston to Portland, where campers are met by staff. An average one way fare from Boston to Portland is between \$25 and \$30.

**IMPORTANT:** Chop Point requires that all campers flying as Unaccompanied Minors MUST FLY INTO PORTLAND, Maine, so they can be met by camp staff at the gate. Depending on the airline, this may apply to campers between the ages of 12 and 15. Please ask for details when flights are booked.
